

Who has coverage under EPA's Multi Sector General Permit (MSGP) for industrial storm water?

Real time information is available through EPA's search tool: <https://echo.epa.gov/>

Here is a screen shot showing "Industrial Stormwater" as the water program area in the Search Type box and "Idaho" as the state. The search shown narrows it down to 3 counties.

The screenshot shows the EPA Echo search tool interface. The "Search Type" section is set to "Water" and "Industrial Stormwater". The "Geographic Location" section shows "EPA Region" as "All Regions", "State" as "Idaho", and "County" as "Jerome County". The "Search Criteria Selected" sidebar on the right shows the selected criteria: "Search Type: Industrial Stormwater", "Geographic Location: State: Idaho, County: Twin Falls County, Gooding County, Jerome County", and "Facility Characteristics: Permit Status: Effective, Expired, Administratively Continued, Pending". The "Results View" section shows "Interactive Map" selected and a "Search" button.

You can also select whether you want only "Active" permit coverage or also expired ones and facilities that have filed for the "No Exposure" waiver from coverage.

The screenshot shows the EPA Echo search tool interface with additional search criteria. The "Permit Status" dropdown is set to "Any". The "Permit Issuing Agency" section has radio buttons for "Any", "EPA", and "State". The "MSGP Notification Type" section has radio buttons for "No Restrictions", "Notice of Intent (NOI)", and "Industrial No Exposure Certification (NOE)". The "Date Submitted" and "Date Active" sections have date range inputs. The "EPA Industrial Stormwater Sector" dropdown is set to "All Sectors". The "EPA Industrial Stormwater Subsector" dropdown is set to "Enter a Sector". The "Discharging into a Municipal" section has radio buttons for "No Restrictions", "Yes", and "No". The "Search Criteria Selected" sidebar on the right shows the selected criteria: "State: Idaho", "County: Twin Falls County, Gooding County, Jerome County", "Facility Characteristics: Permit Status: Effective, Expired, Administratively Continued, Pending", and "MSGP Notification Type: NOI". The "Results View" section shows "Interactive Map" selected and a "Search" button.

Once you have selected your data set, you can view in an interactive map or a data table
